

MERLIN EQUIPMENT PTE LTD

VOLVO TRUCK PARTS & COMPONENTS

Genuine & Quality Aftermarket Parts — Global Supply — Full Technical Support

Overview

Merlin Equipment Pte Ltd is a leading global supplier of genuine and quality aftermarket Volvo truck parts. With an extensive inventory covering the full Volvo truck lineup — from long-haul flagships to construction workhorses — we deliver the right part, to the right place, at the right time.

Our team of Volvo-trained specialists brings deep product knowledge to every enquiry, ensuring you receive accurate parts identification, competitive pricing, and rapid dispatch. Whether you operate a single truck or a global fleet, Merlin Equipment is your trusted Volvo parts partner.

Parts Catalogue

We supply a comprehensive range of Volvo truck parts across all major categories:

Engine Components

Cylinder heads, pistons, liners, gaskets, turbochargers, fuel injectors, and complete engine rebuild kits for all Volvo D-series diesel engines including the D11, D13, and D16.

Transmission & Gearbox

I-Shift automated manual transmission components, manual gearbox parts, clutch assemblies, selector forks, synchromesh rings, and complete drivetrain assemblies.

Axles & Suspension

Front and rear drive axles, steering axles, leaf springs, shock absorbers, air suspension bellows, fifth wheels, kingpins, and complete suspension overhaul kits.

Braking Systems

EBS (Electronic Braking System) components, disc brake pads and rotors, drum brakes, wheel cylinders, ABS wheel speed sensors, air compressors, and air dryer units.

Electrical & Electronics

Engine control units (ECUs), sensor arrays, alternators, starter motors, wiring harnesses, fuse boxes, and complete cab electrical system components.

Cooling System

Radiator cores and assemblies, charge air coolers (intercoolers), water pumps, thermostats, coolant hoses, fan clutch assemblies, and coolant reservoir tanks.

Fuel System

High-pressure fuel pumps, unit injectors, fuel filters, common rail components, fuel tanks and caps, and AdBlue/DEF (urea) system components including dosing units and SCR catalysts.

Cab & Body Parts

Windscreens, mirrors, bumpers, bonnets, doors, interior trim panels, driver seats, instrument clusters, sleeper cab fittings, and complete cab restoration components.

Steering Components

Hydraulic power steering pumps, steering columns, drag links, tie rod ends, king pins, steering arms, and complete power steering system assemblies.

Volvo Series Coverage

Merlin Equipment supplies parts for the complete Volvo truck range. Our coverage includes both current production models and legacy units:

Model Series

Volvo FM	Regional distribution & construction — D11, D13 (330–500 hp)
Volvo FMX	Off-road & construction — D11, D13 (330–500 hp)
Volvo FE	Urban distribution & refuse — D8 (210–320 hp)
Volvo FL	Light distribution & municipal — D5, D8 (180–280 hp)
Volvo VNL / VNR (North America)	Highway & regional — D13, D16 Turbo Compound

Why Choose Merlin Equipment

Genuine & Quality Aftermarket Parts

We supply OEM-specification Volvo parts alongside carefully selected aftermarket alternatives from trusted global manufacturers. Every part we supply is quality-verified to meet or exceed OEM standards — giving you the choice between genuine and aftermarket without compromising on performance or safety.

Global Supply & Fast Delivery

Our international logistics network ensures timely delivery to any port, depot, or mine site worldwide. We work with established freight partners to minimise lead times and keep your vehicles operational.

Full Technical Support — Available 24/7

Merlin Equipment's dedicated technical support team provides comprehensive assistance at every stage of your parts procurement:

- Parts identification from VIN, chassis number, or vehicle specification
- Fitment guidance and installation advice
- Fault diagnosis support and repair consultation
- Cross-referencing OEM and aftermarket part numbers
- Fleet analysis and proactive parts recommendations

Our Volvo-trained engineers are available around the clock to ensure your operations are never held up by a technical question.

Competitive Pricing

We leverage our global supplier relationships to deliver consistently competitive pricing on all Volvo truck parts. Fleet operators and distributors benefit from volume pricing and tailored supply agreements.

Quality Assured

Every component we supply undergoes quality verification before dispatch. We stand behind everything we sell with robust warranty terms and aftersales support.
